

THE STATE OF TEXAS

GOVERNOR

 *To all to whom these presents shall come,
Greetings: Know ye that this official recognition is
presented to all observing:*

World Sight Day

October 10, 2019

Vision is essential to our everyday lives, and maintaining eye health is vital to preventing and even curing vision problems, as many vision problems can be avoidable. Additionally, eye conditions and diseases do not always have obvious signs and symptoms. As such, one important way we can guard against preventable visual impairment or blindness is to have routine and comprehensive eye examinations with eye care professionals for early detection.

Organizations like Alcon Foundation use World Sight Day to further awareness about the importance of Texans taking care of their eyes with regular eye screenings while also increasing access to eye care. I commend your efforts in this endeavor.

First Lady Cecilia Abbott joins me in wishing you the best.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 10th day of October, 2019.

Greg Abbott
Governor of Texas
